Re: City of West Chicago
Joliet Street Bike Path
ICC Order T02-0032

Dear Ms. Larson

Enclosed are one original and two copies of the Petition for an Order amending an existing Order, T02-0032, for a separated grade crossing of the Elgin, Joliet & Eastern Railroad in West Chicago, Illinois. Two items within the existing Order should be amended. First, the culvert length in the Order should read forty feet (40') long, not twelve hundred feet (1200') long. Second, I would like to delete references to the September 1, 2002 deadline since the Illinois Department of Transportation will let the contract and it is out of the control of the City of West Chicago. Also enclosed are certified mail proofs that the petition was served upon the Parties of Record.

If you have any questions or require additional information, please call.

Sincerely,

STRAND ASSOCIATES, INC.
